

Social Media Safety & Digital Literacy for Parents

Wednesday, November 2, 2016
6:00 – 8:00 pm
Sequim High School Auditorium

Internationally recognized safety expert and speaker Darren Laur is coming to Sequim! Don't miss the chance to hear his presentation and learn ways to help keep your children safe while using the Internet and Social Networking. Parents of Teens, Tweens, and Younger Children, as well as Interested Community Members, are encouraged to attend.

Topics to be covered include:

- The Internet and Social Networking
- How students are placing their privacy at risk on-line
- How to protect your "digital dossier"
- How to secure your Social Network
- Understanding everything you post on-line is public, permanent, and searchable
- Dangers of screen names and profiles
- Digital peer aggression and what can be done to stop it
- Sexting, its consequences, and what can be done to stop it
- The law specific to sexting and digital peer aggression
- Social engineering and how students are falling prey to this vulnerability
- When to be concerned as a parent
- Internet filtering pros/cons
- The threat of Internet pornography
- Steps to keep kids safe online
- Plus a whole lot more...!

Darren Laur, co-owner and head instructor of Personal Protection Systems, Inc. is an internationally recognized safety expert, published award-winning author, and highly sought after speaker. Darren is deeply immersed in social media and has taught digital safety for the past 12 years.
