Suicide Prevention and Awareness Training

Suicide Awareness for Everyone (SAFE) is a 2-hour presentation based on the nationally recognized QPR “Gatekeeper” training. QPR stands for Question, Persuade, and Refer. This is an information & referral training designed to raise suicide awareness *and* teach basic skills. The QPR processes emphasizes that both professionals and non-professionals can effectively intervene to **prevent suicides** and are often our best first line of defense, as they may be the first to pick up on warning signs or hear statements of suicidal intent from those with whom they interact.
